Adding Classes-Full Term

Please read carefully: All classes must be added within 10 academic days of the beginning of the semester (deadline: Friday, September 1, 2021).* Any request to add a class after September 2nd will require signatures from the instructor, department, and Dean, and need to be accompanied by a petition letter to the Dean's office.

A \$50 FEE WILL BE ASSESSED BY THE REGISTRAR'S OFFICE FOR ADDING CLASSES AFTER September 1, 2023.

*Before you elect to take a class CR/NC you should check with your Advisor. Core classes used to compute your Engineering GPA need letter grades.

Withdrawal Procedures

** See the Class Schedule or web for more details

Please note the difference between the terms "drop" and "withdraw". Drop implies that the student will not be held financially responsible and the course will not be listed on the transcript. Withdraw means that a "W" will appear on the student's transcript and tuition will be charged. **

Drop Period For Full Term Classes– No Penalty: Students may DROP full term classes without penalty or permission during the FIRST TEN academic days of the term (**Friday, September 1, 2023**).

Withdrawal from Full Term Length Classes: From September 2 through October 20, students may WITHDRAW from classes through CIS. A "W" will appear on the transcript and **tuition will be charged**. Refer to Class Schedule, Tuition and Fees for tuition information.

Drop/Withdrawal from Session I & Session II: See the web page for details:

<https://registrar.utah.edu/academic-calendars/fall2023.php>

Withdrawals for term length classes after October 20th will only be granted due to compelling, nonacademic emergencies. A petition and supporting documentation must be submitted to the Dean's Office. Please email lorie.burningham@utah.edu for more info. Petitions must be received before the last day of classes (**December 7, 2023**).

Repeating Courses

When a College of Mines and Earth Sciences class is taken more than once, only the grade for the second attempt is counted. Grades of W, I, or V on the student's record, count as having taken the class. Departments enforce these guidelines for other courses as well (e.g., math, physics biology, chemistry). Attempts of courses taken at transfer institutions count as one attempt. This means a student may take the course only one time at the University of Utah. Courses taken at the University of Utah may not be taken a second time at another institution. If a second attempt is needed, it must be at the University of Utah. Please work with your department advisor to determine the value of repeating courses. Students should note that anyone who takes a required class twice and does not have a satisfactory grade the second time may not be able to graduate. It is the responsibility of the student to work with the department of their major to determine how this policy applies in extenuating circumstances.

Appeals Procedures

See the Code of Student Rights and Responsibilities, located in the Class Schedule or on the University of Utah website for more details.

Appeals of Grades and other Academic Actions

If a student believes that an academic action is arbitrary or capricious he/she should discuss the action with the involved faculty member and attempt to resolve. If unable to resolve, the student may appeal the action in accordance with the following procedure:

1. Appeal to Department Chair (in writing) within 40 business days; chair must notify student of a decision within 15 days. If faculty member or student disagrees with decision, then,
2. Appeal to Academic Appeals Committee. <https://regulations.utah.edu/academics/6-400.php> (See II Section D, Code of Student Rights and Responsibilities for details on Academic Appeals Committee hearings).

Academic Advisors

Academic advisors are educators and problem solvers who advocate for students as they navigate their personal journeys through higher education and attain their academic goals. Through inclusion and connection, academic advisors open doors to new opportunities for self-awareness and growth, empowering students to define their roles as citizens within local and global communities.

If you or someone you know has been harassed or assaulted, you are encouraged to report it to the Title IX Coordinator in the Office of Equal Opportunity and Affirmative Action, Park Building, Room 135, 801-581-8365, or the Office of the Dean of Students, A. Ray Olpin Union Building, Room 270, 801-581-7066. For support and confidential consultation, contact the Center for Student Wellness, SSB, Room 426, 801-581-7776. COVID-19 Campus Guidelines

Students are required to self-report if they test positive for COVID-19. To report, please contact:

COVID-19 Central @ The U

801-213-2874 coronavirus.utah.edu

Please read the syllabus and attendance requirements for the course thoroughly.

While masks are no longer required outside of Health Sciences facilities, our campus remains “mask-friendly.” Those who still wish to wear masks are encouraged to do so, especially those at high risk of severe illness from COVID-19. The University will continue to follow guidance from the Centers for Disease Control and Prevention (CDC) and state and local health departments. You are advised to follow current CDC guidelines.

- Check the CDC website periodically for masking updates— <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinatedguidance.html>
- Treat masks like seasonal clothing (i.e. during community surges in COVID transmission, masks are strongly encouraged indoors and in close groups outside).

The University will continue to accommodate students through the Americans with Disabilities Act (ADA). Students are advised to check with the Center for Disability and Access for important timelines.

If you believe you meet these criteria, contact:
